

Library Management System

BY ARISSA GREEN

YOUR SOLUTION TO AN ORGANIZED DIGITAL
TOOL FOR LIBRARIANS AND READERS

View Books

A digital list of the books in the library, allow users to explore and find new titles, authors, and more! Librarians can add or change book availability.

Login Here!

Sign Up!

User Accounts

Allow users to create accounts so you can track how many clients the library has and give user's access to new tools to enhance their visit!

User Tools

Users can search for books in the library, view what they have checked out, and get a personalized list of recommendations.

Welcome to My Library Page!
